

### Excellent Colour Last

As a result of extensive research in our high-tech laboratories, Jotun's unique **TrueColour Technology** enables **Gardex** colours to stand the test of time. This will maintain the beauty of your property for a longer period.

### Optimized Drying Time

**Gardex** formulation has its drying time optimized to ensure a smooth and tough finish. This formula emphasizes proper drying on the top and bottom layer of each coat, resulting in a high quality finish.

### Anti Rust

**Gardex** ensures protection against rusting that will corrode metal substrates. It enhances the strength and beauty of metal surfaces for years to come.

### Anti Fungal

**Gardex** prevents harmful fungus that will cause wood to rot and also avoid harm to your well-being.

### 100% free from Heavy Metals

At Jotun, we maintain the highest standards of health, safety and environment. **Gardex** is formulated without any lead and mercury to ensure the product is safe for you and your family.

### Multicolor Tintable

**Gardex** offers the widest range of colours tailored to your preference and to match your home. Choose colours from our inspiring colour themes or create your own colours limited only by your imagination.

<b>JOTAGLOSS</b> 	★	★★★★	★★	★★★★	★	★★★★	Gloss

★★★★ Excellent   ★★★ Very Good   ★ Good

### RECOMMENDED PAINT SYSTEM

**Gardex Primer**  
Fast drying primer with very low odour to provide excellent adhesion between the substrate and the topcoat. Specially formulated with Anti Rust agents for superior protection against rust.

### SURFACE PREPARATION

On chalky and dusty surfaces, all loose materials must be removed before painting. For wood surface, sand paper should be used to remove loose materials. For metal surface, a scraper can be used to remove flaking, rust and old paint. Clean the surface with water and/or soap with a brush or cloth and allow surface to dry before painting.

Coverage 14m<sup>2</sup>/litre  
Drying Time 2 - 4 hours  
Recoating Time 8 - 12 hours  
Thinning Dilution is not necessary. If required, dilute with Jotun Thinner No.2 (max 5%)  
Application Brush, roller or spray  
Cleaning Clean brushes and tools with Jotun Thinner No.2

## WOOD & METAL COLOURS

## GARDEX —PREMIUM GLOSS— WOOD & METAL

## GARDEX —PREMIUM GLOSS— WOOD & METAL

### Low Odour

By using Low Aromatic Formulation, **Gardex** ensures less smell during and after application. You and your family can immediately move into your newly painted home without having to suffer from the unpleasant paint odour anymore!

**FINISHING**

**GLOSS**  
Choose **GarDEX** in Gloss finish for a brilliant mirror-like shine. We recommend Gloss finish for metal or smooth surfaces.

**SEMI-GLOSS**  
Choose **GarDEX** in Semi-gloss finish for classy contemporary look. Semi-gloss finish is recommended for wood surfaces or when there are imperfections on the surface.

\* Available in Gardex only
